South Carroll High School will be using **Arbiter Registration (formally rschools)** which is a secure registration platform that provides you with an easy, user-friendly way to register for our athletic programs. It will help us to be more administratively efficient, environmentally responsible, and provide an electronic registration service convenient for our CCPS families. When you register through rschools, the system keeps track of your information in your account profile. You enter your information only once for each family member for multiple sport programs.

Information needed to register:

Health insurance information and doctor information. You will need to upload the eligibility page of the Physical packet into the system. There will be a link for the blank physical form on rschools platform or you can find it on the CCPS website. If you are unable to upload the Physical, simply contact the school's main office or athletic director and schedule a time to bring the physical to the office. You can also send the Athletic Director a scanned copy via email at t_novot@carrollk12.org

Eligibility:

Returning athletes **MUST** have a 2.0 GPA and no "'F's" in the 4th quarter of the last semester. It is the 4th quarter grade that determines your eligibility, not the final grade! Please check the bottom right-hand corner of the last report card received to confirm eligibility. If you are not eligible and would like to apply for restricted eligibility (may be used one time in high school career), please call the office ASAP to make an appointment at 410-751-3575. All incoming 9th graders are automatically eligible to participate in the Fall Season.

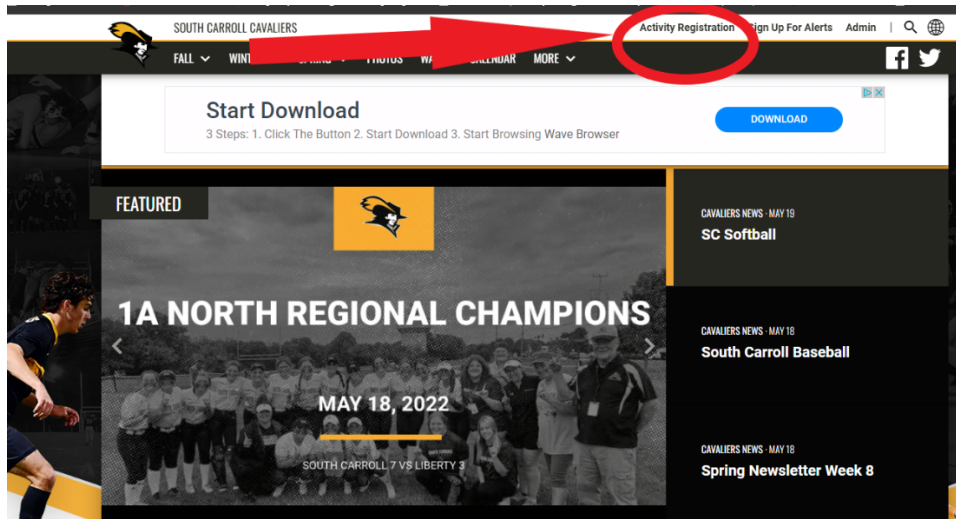

Registration Process:

Below is the link for SCHS Athletic website where you can find the **registration button**. A parent/guardian is required to register their child on this link. Attached is a quick guide on how to register using the new site.
